

The Cape Cod Bay Challenge
A 22 Mile Stand-up Paddle Marathon to Promote Ocean Conservation

Thank you for your donation to this inaugural Cape Cod Bay Challenge. All proceeds from the event will benefit the Ocean Conservancy, a non-profit dedicated to promoting healthy and diverse ocean ecosystems. Part of the proceeds of this event will go towards the Ocean Conservancy's International Coastal Clean Up on September 20, 2008. Last year's clean up saw 378,000 people in 76 countries collect 6 million pounds of trash. If you are interested in volunteering to be part of this year's International Coastal Cleanup you can sign up at the Ocean Conservancy's website at <http://www.oceanconservancy.org>

Please make your check payable to "Ocean Conservancy" and send it to the address below. We will collect all the checks and deliver them to the Ocean Conservancy after the event. We would like the opportunity to thank each of you by sending you a copy of PDF file of the poster created for the event so please remember to include your email. Don't worry, we won't sell or otherwise abuse your email address in any way. The only other use we will put it to is to let you know about next years event when planning gets under way...hopefully even bigger and better.

If you have any questions you can email either of us.
